Markforged has entered into a definitive business combination agreement with *one* (NYSE: AONE). Upon completion of the transaction, the combined company will retain the Markforged name and will be listed on the New York Stock Exchange under the ticker symbol “MKFG.”

#### About Markforged

Markforged transforms manufacturing with 3D metal and continuous carbon fiber printers capable of producing parts tough enough for the factory floor. The Markforged Digital Forge brings the power and speed of agile software development to industrial manufacturing, combining hardware, software, and materials to eliminate the barriers between design and functional parts. Engineers, designers, and manufacturing professionals all over the world rely on Markforged metal and composite printers for tooling, fixtures, functional prototyping, and high-value end-use production. Founded in 2013 and based in Watertown, Mass, Markforged has more than 250 employees globally. Markforged has been recognized by Forbes in the Next Billion-Dollar Startups list, and was listed as the #2 fastest-growing hardware company in the US in the 2019 Deloitte Fast 500. In February 2021, Markforged announced it entered into a definitive agreement to merge with *one* (NYSE: AONE), a special purpose acquisition company founded and led by technology industry veteran Kevin Hartz. The transaction is expected to close in the summer of 2021, subject to regulatory and stockholder approvals, and other customary closing conditions. The combined company will retain the Markforged name and be listed on the NYSE under the ticker symbol “MKFG”.

#### Special Note Regarding Forward-Looking Statements

*This press release contains forward-looking statements that are based on beliefs and assumptions and on information currently available. In some cases, you can identify forward-looking statements by the following words: “may,” “will,” “could,” “would,” “should,” “expect,” “intend,” “plan,” “anticipate,” “believe,” “estimate,” “predict,” “project,” “potential,” “continue,” “ongoing” or the negative of these terms or other comparable terminology, although not all forward-looking statements contain these words. These statements involve risks, uncertainties and other factors that may cause actual results, levels of activity, performance or achievements to be materially different from the information expressed or implied by these forward-looking statements. Although Markforged believes that it has a reasonable basis for each forward-looking statement contained in this press release, Markforged cautions you that these statements are based on a combination of facts and factors currently known by it and its projections of the future, about which it cannot be certain. Forward-looking statements in this press release include, but are not limited to, statements regarding the proposed business combination, including the timing and structure of the transaction. Markforged cannot assure you that the forward-looking statements in this press release will prove to be accurate. These forward looking statements are subject to a number of risks and uncertainties, including, among others, general economic, political and business conditions; the inability of the parties to consummate the business combination or the occurrence of any event, change or other circumstances that could give rise to the termination of the business combination agreement; the outcome of any legal proceedings that may be instituted against the parties following the announcement of the business combination; the risk that the approval of the shareholders of *one* for the potential transaction is not obtained; failure to realize the anticipated benefits of the business combination, including as a result of a delay in consummating the potential transaction; the risk that the business combination disrupts current plans and operations as a result of the announcement and consummation of the business combination; the ability of the combined company to grow and manage growth profitably and retain its key employees; the amount of redemption requests made by *one*’s shareholders; the inability to obtain or maintain the listing of the combined company’s securities following the business combination; costs related to the*

*business combination; and those factors discussed under the header “Risk Factors” in the registration statement on Form S-4 to be filed by one with the SEC and those included under the header “Risk Factors” in the final prospectus of one related to its initial public offering. Furthermore, if the forward-looking statements prove to be inaccurate, the inaccuracy may be material. In light of the significant uncertainties in these forward-looking statements, you should not regard these statements as a representation or warranty by us or any other person that Markforged will achieve its objectives and plans in any specified time frame, or at all. The forward-looking statements in this press release represent Markforged’s views as of the date of this press release. Markforged anticipates that subsequent events and developments will cause its views to change. However, while Markforged may elect to update these forward-looking statements at some point in the future, Markforged has no current intention of doing so except to the extent required by applicable law. You should, therefore, not rely on these forward-looking statements as representing Markforged’s views as of any date subsequent to the date of this press release.*
